

What is the **Quaker Spice Rack?**

Web app

The Quaker Spice Rack (QSR) or Spice Rack is a web application that users can use to design, develop, and produce a brochure, program, or panorama formats.

A Tool

QSR contains tools to help your Quaker organization create digital communications of brochures, programs, or panoramas for local events, promotions, and other uses.

Connection

QSR can be used to express the spirituality of users' messages and testimonies, more deeply to themselves and to others.
